

## JA BizTown Summer Camp – Sign-up or Sponsor!

Learning doesn't have to end on the last day of school. Help your student continue their learning journey with life-skills that really make a difference. At our JA BizTown® Summer Camp, campers will jumpstart their journey into adulthood through daily lessons, hands-on activities, and team-building games.

JA programs are delivered at no cost to students, making events sponsorships critical to maintaining these life-changing programs to area youth. You can make a difference in the lives of local students by participating in this world-class event! Registration is open to students 9-13 in the Appleton area on a first-come, first-served basis. See camp dates, details and sponsorship opportunities.

JA BizTown combines in-class learning with a day-long visit to a simulated town. The popular learning experience allows elementary school students to operate banks, manage restaurants, write checks, and vote for mayor. Students connect the dots between what they learn in school and the real world.
