

# JA BizTown® SUMMER CAMP

## Camp Overview:

At our JA BizTown Summer Camp, campers will jump-start their journey into adulthood through daily lessons, hands on activities, and team building games.

## Camp Highlights:

- Participants will spend the first four days of camp learning key economic concepts and work readiness skills that prepare them for the real world.
- On Friday, participants will put their learning to the test as they work together to run JA BizTown.
- They will operate a credit union, restaurant, city hall and other businesses while experiencing firsthand the flow of an economy and community.

Session 1 July 13-17

Session 2 August 3-7

Junior Achievement believes that no student should be denied programming due to cost.  
A limited number of scholarships are available for each session.
