Milwaukee, WI 53224

**Cost:** \$400/camper

## JA of Wisconsin - Inspire & Serve Camp

An exciting week of self-discovery, community improvement & skill building you'll talk about all summer!

At JAWIS Camp, campers dive into hands-on activities that spark creativity, leadership, and real-world thinking. They'll explore careers, brainstorm community problem solving, strengthen communication & collaboration skills, and build financial awareness in age appropriate, engaging ways. Throughout the week, community leaders will join the experience to offer guidance and show campers what's possible for the future. Campers will feel inspired, empowered, and proud to share the solutions they've created for their community.
