# CONSTRUCTION PATHWAYS

# CAREER CAMP

**MIDDLE SCHOOL: JUNE 7TH-11TH**  
**HIGH SCHOOL: JUNE 14TH-18TH**  
**LOCATION: UW-STOUT**

## Build, Create, Explore!

Discover construction and woodworking careers by getting hands-on in UW-Stout's Construction Lab.

You'll get to:

- Build a custom cutting board
- Use laser engraving technology
- Learn about construction, skilled trades, and business careers
- Junior Achievement Career Lessons
- Go on guided field trips to active construction sites

Get an inside look at how real projects are planned, built, and managed from the ground up!
