JA Career Exploration Day

Wednesday, August 5, 2026 9:00-12:00 PM

Through the combined expertise of Junior Achievement and Girl Scouts, girls are inspired to dream big, explore future opportunities, and develop the skills they need to succeed

Participants will:

- Learn real-world money skills
- Discover marine careers with JF Brennan
- Dive into marketing and finance careers with Trust Point
- Explore STEM opportunities with Trane Technologies
- Connect with local professionals and role models Gain
- confidence through hands-on experiences
- Receive a JA Career Exploration badge
