

# TRANSFORM A YOUNG PERSON'S LIFE!

## VOLUNTEER TO BE A 3DE BUSINESS COACH

### OVERVIEW OF 3DE

3DE by Junior Achievement brings real-world connectivity into the daily high school academic experience to create a highly engaging and relevant learning environment. 3DE challenges students to apply academics beyond the classroom walls. We push students to think boldly and discover solutions.

### WHAT IS THE ROLE AND WHAT TO EXPECT AS A VOLUNTEER COACH

Through your own professional experiences, you will provide in-classroom assistance during a normal school day, to students who are working on a case challenge. Coaches assist in helping students develop their presentations for their case challenge and coach the teams by providing feedback on solution ideas, presentation content, and delivery. *Training is provided.*
