

JA 'Mission Possible' Reveals New Possibilities

JA's South-Central Region recently showed team members, volunteers and other supporters just what can be possible when communities work together. The "JA Mission Possible," team building adventure raised \$15,745 and opened the door to over 100 new volunteers.

The free event was made possible by title sponsor, Accuray, and supporting sponsors, Alliant Energy and Wells Fargo. Teams participating in person and remotely completed exciting challenges, giving them the background needed to volunteer, while having a blast with colleagues.

At JA, we're all about exploring what's possible, helping young people connect what they learn in school with life outside the classroom. We let them know it's possible to invest in their future, to gain a better understanding of how the world works and to pursue their dreams.

If you're interested in empowering the next generation with skills for success, ask about JA Mission Possible. It's an exciting opportunity to rally coworkers, strengthen team bonds, give back, and be a part of something bigger. [Contact Lori Astell today.](#)
