WHAT IS JA TITAN BUSINESS CHALLENGE?

The stakes are high as student teams compete to navigate running a simulated company in the mobile phone industry. The JA Titan Business Challenge introduces economic and management decision-making skills using critical thinking, strategy development, and teamwork. Win or lose, the JA Titan Business Challenge provides an understanding of how management decisions affect a company's bottom line.

JA Titan Business Challenge offers:

- Fun, friendly competition with peers.
- Post-high school scholarships to top placing teams.
- Real-life business applications.
- Collaborative business decisions with your team.
- Community business mentors and opportunity to hear about their careers.
- Top placing team will compete in the statewide challenge.

Opportunities for students to prepare:

- The JA Titan program is an in-classroom, teacher or volunteer-led experience featuring tutorials, gameplay strategy, practice competition rounds, and deep-dive discussions. Curriculum provided by JA.
