

JA BUSINESS STRATEGY SHOWDOWN

We Want To Test Your Skills...

Formerly known as the Executive Business Challenge, Junior Achievement's Business Strategy Showdown is a fundraising event to support local JA classrooms throughout the Northcentral Region. Teams of 3-4 players put their collective business skills to the test for some friendly competition. Teams play the JA Titan business simulation, making CEO decisions on pricing, R&D, marketing, and production. A traveling trophy goes to the winner!

The goal is to be the company whose profit ranks first after multiple rounds. If your team goes bankrupt, you're out! But don't worry... we have experts you can "hire" if you find your team is heading in the wrong direction.

This is a fantastic opportunity for team bonding within your business. Join us for an evening of fun competition, while supporting local students.

Heavy appetizers, beverages and sprits, along with raffle opportunities will be available.

100% of the funds raised will go back to local JA programming.

JOIN US!

Thursday, February 26, 2026
5:00-8:30 p.m.

The Great Hall at
The Grand Theater
401 N 4th St
Wausau WI 54403

\$500 per team of 4
