

The Milwaukee Brewers and UW Credit Union, for the Win!

With 12 home field wins under their belts so far this season, students, educators and schools across Wisconsin are looking forward to a brighter future, thanks to a UW Credit Union donation of \$250 per home game victory - \$3,000 to date. Funds support JA programs that promote financial wellness and economic mobility for students who need it the most.

Through their charitable efforts, UW Credit Union supports financial wellness programs and scholarships in the communities they serve. We're proud of our partnership as we work together to inspire and prepare Wisconsin youth for success. On the field or off, you can help, too! Help support education that connects the classroom to career. Donate today.
